

Fusion Stainless Steel Series

The Fusion Sink Series redefines kitchen design with unmatched versatility and functionality. Fusion Duo models feature a patent-pending extended rim, enabling installation as a traditional flush undermount sink or as a workstation sink. In the workstation configuration, the cutting board sits flush with the countertop, more ergonomic in use and enhancing your workspace. With tight radius corners that are easy to clean, the Fusion sinks combine modern style with practical convenience.

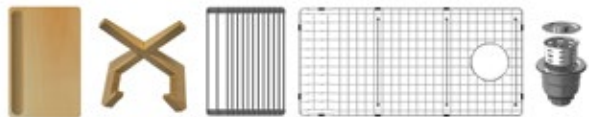

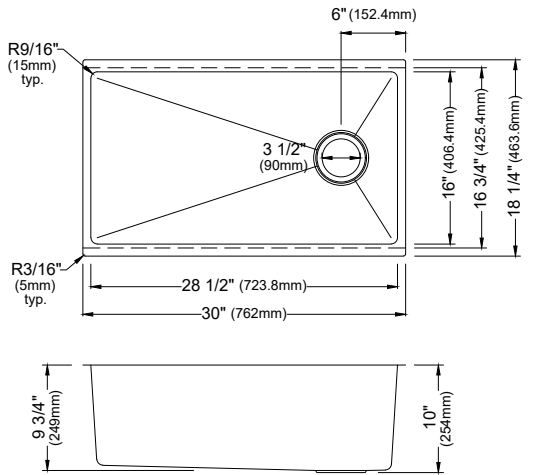

Designed for adaptability, some undermount Fusion sinks feature a reversible side offset drain, allowing flexible installation to suit your plumbing. Thoughtfully crafted accessories, such as the patent-pending slotted bottom grid and slotted rolling mat, keep your kitchen clean and organized. From innovative features to multifunctional accessories, the Fusion Series is the ultimate blend of form and function for your kitchen.
