

ELITE

ELITE PVD

ELITE / ELITE PVD STAINLESS STEEL SINKS

Professional strength. Premium by design.

Commercial-grade stainless steel construction, hardworking bowl designs and two distinctive finish options.

R15 CORNERS / SOUND DAMPENING

01

Professional-grade core

16-Gauge Type 304 Stainless Steel

Commercial-grade construction provides lasting strength and durability for demanding daily use. cUPC listed.

02

Deeper By Design

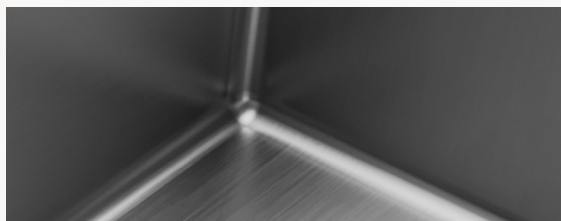

10-Inch Deep Bowls

Generous bowl depth creates room for large cookware and everyday cleanup. Elite laundry sinks extend to 14 inches for oversized tasks.

03

Easy-to-Clean Corners

R15 Corners

Gently rounded corners are easier to wipe clean while maintaining the clean, geometric look of a professional sink.

04

Low Divide Flexibility

60/40 Low Divide Double Bowl

A lowered center divider allows large pans and long cookware to span both bowls when extra room is needed.

Elite PVD

Premium color. Everyday protection.

Build the right assortment.

Choose the right Elite configuration, from stainless to premium PVD, with workstation options to match.

CORE COLLECTION

Elite

Satin brushed

The broadest choice across kitchen, bar/prep and laundry applications.

PREMIUM FINISH EXTENSION

Elite PVD

Gunmetal Black PVD

Seven models with premium Gunmetal Black PVD finish, sandblasted texture, and Nano coating.
